Hey Andy! Sage and I just wanted to drop you a note say how much we enjoyed meeting you and your lady! It was wonderful to hear the story of how you built your success from the ground up -and even more inspiring- how you found, pursued and married your dream girl! :-) It was fun to "conspire" together and get the auction energy going and the money flowing. When your ready to come to Fiji please let us know and be sure to bring another couple or some family as our guest. You can find more about the resort at www.namaleresort.com. Plus a sample picture above. See you in Fiji if not sooner somewhere in the Northwest! We wish you both all the love, happiness, and joy that you both deserve. With Love and respect, Tony and Sage Robbins
